-------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Style.css	<pre>p { font-family:sans-serif; font-size: 30px; color: fuchsia; }</pre>
-----------	---------------------------------------------------------------------------

RESULT:

LABCYCLE 1 QUESTION 2

AIM: FORM

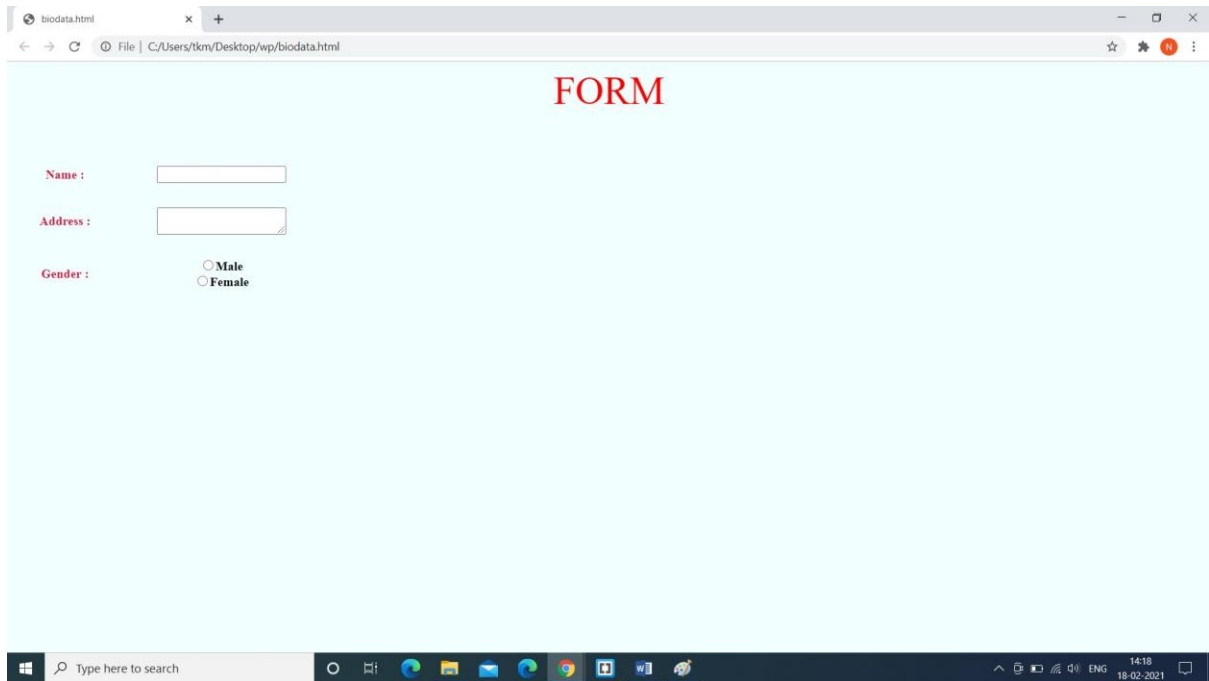

PROGRAM CODE:

<u>Index.html</u>	<pre><html> <head> <link rel="stylesheet" type="text/css" href="styleform.css"> </head> <body > <p style="text-align:center; font-size:50px; color:red;">FORM</p> <table> <tr> <th> <label>Name :</label></th> <th><input type="text" ></th> </tr> <tr> <th><label>Address :</label></th> <th><textarea></textarea></th> </tr> <tr> <th> <label>Gender :</label></th> <th> <input type="radio">Male
 <input type="radio">Female
 </th> </pre>
-------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

	<pre> </tr> </table> </body> </html> </pre>
--	------------------------------------------------------------------------

Styleform.css	<pre> table { width: 400px; column-width: 80px; } label{ color: crimson; } th, td { padding: 15px; } body { background-color: azure; } </pre>
----------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------

RESULT:

The screenshot shows a web browser window with a single tab titled 'biodata.html'. The address bar shows the file path 'C:/Users/tkm/Desktop/wp/biodata.html'. The main content area has a light blue background and features the word 'FORM' in large, red, serif capital letters at the top center. Below this, there are three form elements on the left side: a label 'Name :' followed by a text input field, a label 'Address :' followed by a text input field, and a label 'Gender :' followed by two radio button options, 'Male' and 'Female'. The Windows taskbar is visible at the bottom, showing the search bar and several application icons. The system clock in the bottom right corner indicates the time is 14:18 on 18-02-2021.
